It's a long walk, but still Chanceline is lucky: she can see a doctor.

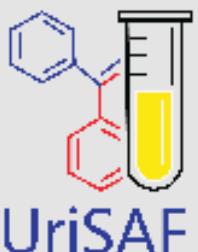

Walk with her at www.cordaid.org

Solution

UriSAF ARTIFICIAL INTELLIGENCE UTI DIAGNOSIS

INSTRUCTION

1. Please input the data read from the urine test strip and click the 'PROCESS' button

Leukocytes(cacells/micro litre)

Nitrite(micromol/litre)

Urobilinogen(grammes/litre)

Blood(cacells/micro litre)

Specific Gravity

Ketones(millimols/litre)

Protein(cacells/micro litre)

Bilirubin(micromols/litre)

Glucose(millimols/litre)

pH

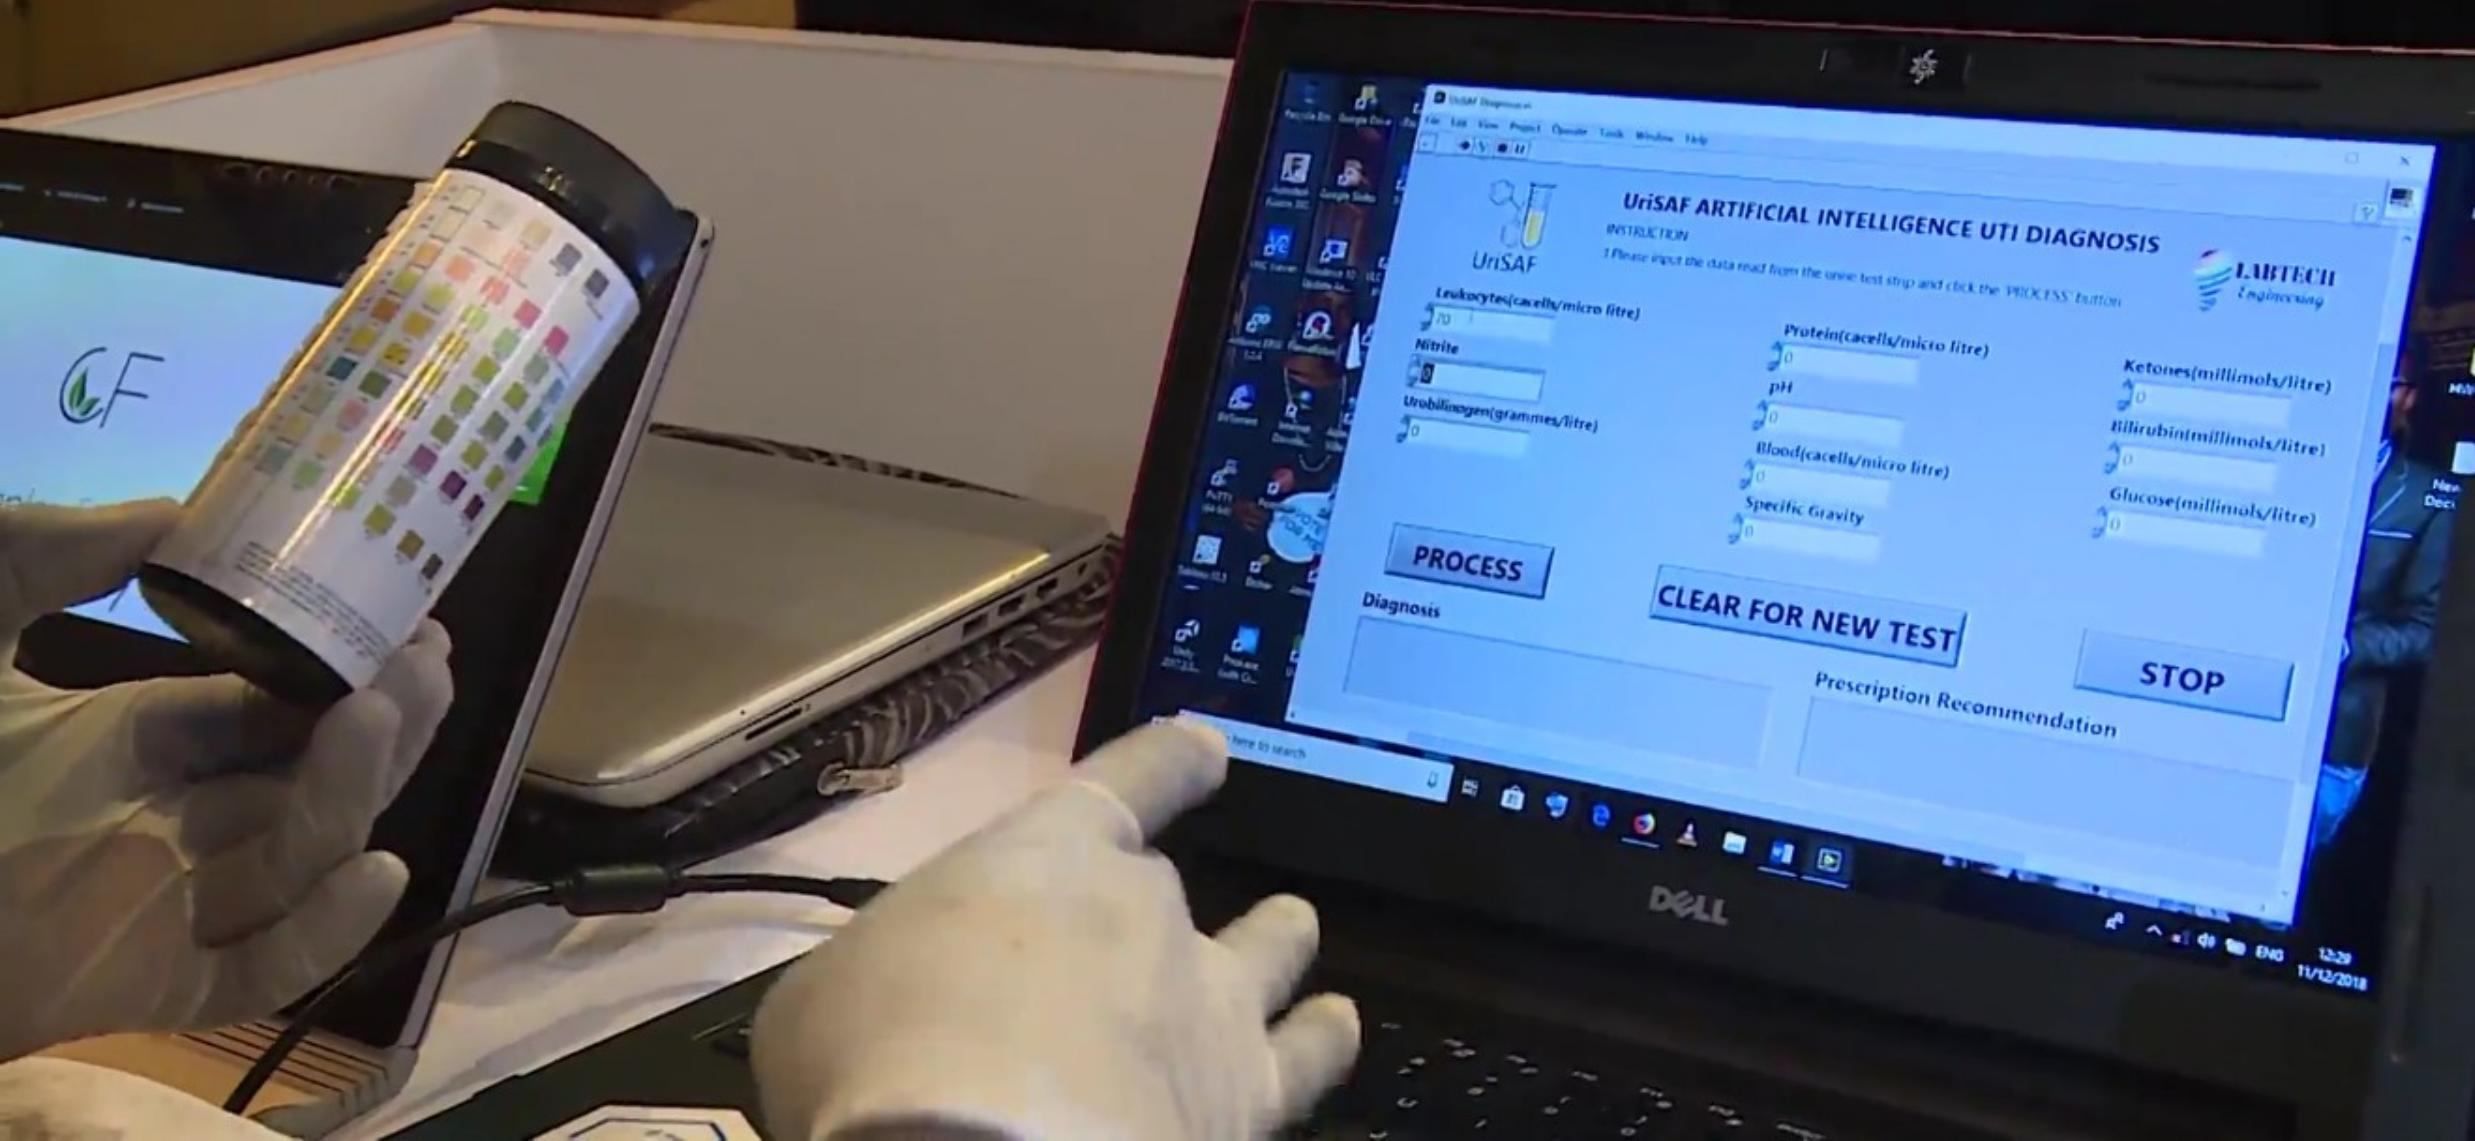

PROCESS

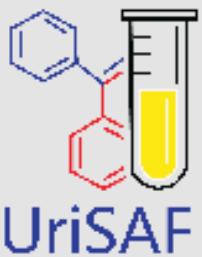

CLEAR FOR NEW TEST

STOP

Diagnosis
